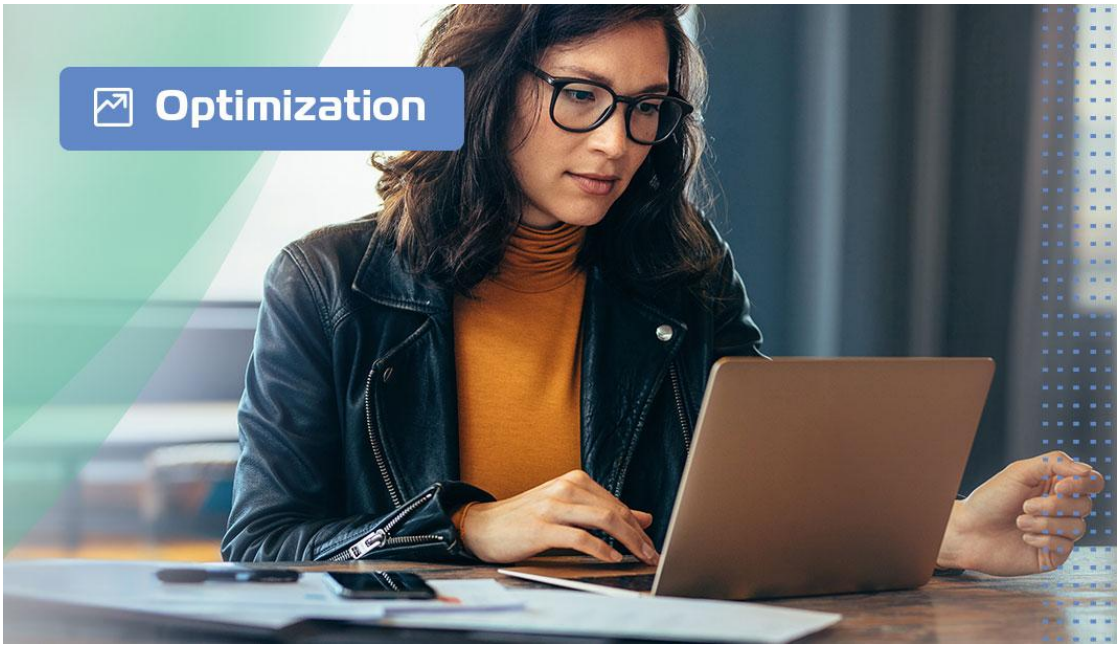
Optimized Direct Rating Now Available for Intact Brokers in Alberta



Direct Rating has been upgraded to CSIO version 1.46 for Intact Habitational policies in Alberta, helping you deliver faster, smoother service.

This improvement applies to Intact's Property policies in Alberta across all dwelling types, including FEC and Seasonal policies. Quotes transacted on or after April 14, 2026, will use the upgraded version of CSIO.

Note that **user workflows and credentials have not changed**. Please continue to quote Property policies for Intact in the usual way.

For TBW Flex users, this feature enhancement is automatically applied—no action needed! On-premise TBW users, please run the TBW Update Utility to receive this update.
